DETAILED ACTION

Claims 1-24 stand withdrawn from further consideration pursuant to 37 CFR 1.142(b), as being drawn to a nonelected invention, there being no allowable generic or linking claim. Applicant timely traversed the restriction (election) requirement in the reply filed on 10/23/06.

Claim Rejections - 35 USC § 112

Claim 18 is rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claim 25 is cellulose, adhesive and seeds; 28 does not identify the weight basis-1-10% of what?

The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

Claims 25,27 – 29 stand rejected under 35 U.S.C. 102(b) as anticipated by or, in the alternative, under 35 U.S.C. 103(a) as obvious over KAZENZADEH 6009663.

See summary- a defined, shaped article, coated with adhesive, then seeds, is made. The core is ground cellulose-that from waste treatment and garden cuttings pellets are at column 2, lines 30-43 cross section would be the form extrusion presents and shape affected by cutting off to provide flat surface if desired (column 3, lines 30-45).

Response to Arguments

Applicant's arguments filed 5/14/07 have been fully considered but they are not persuasive. Applicant argues for ancestral application to support the ground up cellulose core.

However, the rejection of obviousness finds the garden cuttings and waste paper, as having met the ground up cellulose as the treatment of waste results in grinding the waste. The instant claim 25 requires seeds; there are none in the ancestors, so the priority date is the instant filing date. The KAZEZZADEH processing provides the same seed-grass carrier-column 7, top recites waste paper source.

Claim 26 is not obvious.

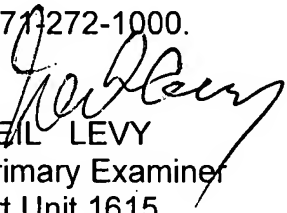

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
